

THE MEXICAN BUNGALOWS

The luxurious Mexican Bungalow provides you with a lifestyle that blends nature and luxury. Mexican Bungalow is an amalgamation of 19 self-sustainable designer bungalows set in a peaceful and serene 3-acre plot of land. Each bungalow is equipped with a Private Pool, Center Courtyard, Gazebo, Hydroponics Vegetable Garden, Independent Well, 5KV Solar System and a beautifully landscaped garden among other things.

Mexican Bungalows have unmatched luxury and security with an Automatic gate open system, Video door phone, CCTV Surveillance and a horde of other common facilities like a community room, mini library, open party area, clubhouse with gym and yoga space.

The living spaces in the layout are the heart of the green landscape. This landscape is considered the key design element which blends with the center courtyard to form an uninterrupted blend of continuity with nature. Mexican Bungalows have been modeled in a way that ensures the least disturbance to nature.
